Grandview Corners Dental Spotlights Patient Success Stories in Smile Transformations Gallery

Surrey's Grandview Corners Dental has added an exciting new feature to its stylish and user-friendly website: a Smile Transformation Gallery to spotlight patient success stories.

"Our new Smile Transformation Gallery gives our current and future patients an insightful and inspiring look at how our team can dramatically improve their smile," commented Grandview Corners Dental's Dr. Leos-Marquez. "The stories and pictures featured in our gallery are from people who are realizing, some of them for the first time in decades, that the best things in life start with a smile – THEIR smile!"

The first patient featured in the new Smile Transformation Gallery is Verna Dick, who was the lucky winner of the practice's 2010 Free Smile Makeover contest. Through a series of treatments that ended late last year – just in time for the holiday party season – Verna received \$35,000 worth of restorative and cosmetic dental work, but didn't have to pay a cent. Everything was generously donated by Dr. Leos-Marquez and Nova Dental Labs.

"The Free Smile Makeover contest was our way of doing something good for our community and giving back," explained Grandview Corners Dental's Office Manager Anne Desrosiers. "It's an honour to share Verna's life-changing story in our Smile Transformation Gallery – and I'm sure it will be the first of many stories featuring many patients from the community."
